

Nagle Apartment Corp

Shareowner Committee Meetings

Garage Deck Steering Committee

The Board is seeking guidance on two immediate items: what type of decking material to place on the garage roof; and what type of fencing design to use (both necessary so that we can re-open the deck) and some longer term items like what to put on top (the fun stuff). If you can, please attend at least one of the following meetings:

- Thursday October 16th – 8:30 pm
- Sunday October 19th – 3:30 pm

Garage Operations Committee

The Board is seeking guidance on what type of operating model we want to use for the Nagle Garage and what changes we want to see on how it operates. The immediate need is to select a list of conditions we would want to place in a request for proposal (RFP) in order to select a garage management company. If you can, please attend at least one of the following meetings:

- Thursday October 16th – 7:30 pm
- Sunday October 19th – 4:30 pm

Meetings will be held in either the lower courtyard garden behind 37 Nagle (weather permitting) or in the basement of 37 Nagle in the Bike Room.

If you can't attend but would still like your thoughts to be heard, please e-mail your thoughts to Steve Vernon at stephenvernon@yahoo.com

Please do not remove until Monday October 20th
